

The Keck Institute for Space Studies
presents an open lecture:

The Importance of Biodiversity

(Perspectives of a Techie)

Dr. David Thau

Data and Technology Global Lead Scientist
World Wildlife Fund

Wednesday, March 20, 2019

4:30 PM Refreshments

5:00 PM Lecture

Sharp Lecture Hall

Arms Building Room 155

California Institute of Technology

kiss.caltech.edu

What is biodiversity?

How do you measure, monitor, and detect changes in it, and why should you care? These are some of the topics discussed in this techie's perspective on the state of our biodiversity knowledge.

Seating is limited and is available on a first come, first served basis.
